

**Notice of Extension of Closing Date from 16 January 2026 to 31 January 2026: Call for Proposals for the Appointment of a Panel of Reputable Professional Service Providers to Compile and Present Market Intelligence Reports, Industry Briefs, Opportunity Briefs and Case Study Reports on the Green Economy in Mpumalanga Province, for a Period of Three (03) Years**

The Mpumalanga Green Cluster Agency NPC (“MGCA”) invites proposals for the provision of professional market intelligence services, including the compilation of market intelligence reports, industry and opportunity briefs as well as case studies on the development and growth of the green economy in Mpumalanga Province (MP). The main purpose of this bid document is to appoint a panel of professional service providers with the requisite skills and expertise to compile market intelligence reports, case study reports and/ or industry opportunity briefs on the six priority areas of the MGCA’s mandate, namely sustainable agriculture, the circular economy, water resource management, renewable energy, enterprise development as well as skill development.

The desired industry and market intelligence information sets must serve the primary function of providing objective, reliable and verifiable information to inform decision-makers on socio-economic development and growth opportunities, taking into consideration any policy, strategic and operational factors into account. The industry and market intelligence briefs and reports produced must identify high impact economic growth and development opportunities available in the six priority areas of the green economy in MP. The said reports, briefs and case studies, as the case may be, must furthermore be able to guide decision-makers on areas that require refinement on policy and regulatory imperatives required to stimulate the growth of the green economy and adoption of clean production technologies and practices in industry and in society at large. In summary, the desired industry and market intelligence briefs and reports must provide factual and scientifically objective information to enable the diversification of the MP’s traditional economic streams while also optimising the uptake of new, emerging cleaner and green technology and practices.

Bid documents are available on the MGCA web-site, namely <https://www.thegca.co.za> with effect from Monday, **15 December 2025**. The **closing date** for this bid has been extended from Friday, **16 January 2026** to **Saturday, 31 January 2026**, on or before **00h00**. For enquiries with regard to this bid, the following persons may be contacted before the closing date:

<b>Nature of Enquiries</b>	<b>Contact Name</b>	<b>Contact e-mail Address</b>	<b>Contact Phone No</b>
